# SOLVENTS AND DEGREASERS

- GSA Assault:** Heavy-duty water-based butyl degreaser. Removes oil, grease, stains, and soils from floors, equipment, engines and aluminum surfaces. Available in concentrate or R.T.U. VOG.
- Blauster:** Aerosol degreaser and flushing agent for electrical components and equipment.
- Citra-Solv Aerosol:** All-natural degreaser, spot remover, and deodorizer. 80% d-Limonene. VOG.
- Citra-Solv:** All-natural liquid degreaser. 95% orange terpenes. VOG.
- GSA Degrease It:** Neutral parts washer degreaser for use in aqueous parts washers. Oil/water separating agent allows for high degree of product recovery.
- GSA De-Solv-All:** Organic cold tank degreaser and parts cleaner.
- Eco Degreaser:** All-natural cleaner and degreaser. A safe alternative to hazardous petroleum-based degreasers or harsh alkaline cleaners. This 100% biodegradable formula will break up even the heaviest grease deposits.
- Electro Blast:** Non-residual, fast-drying aerosol degreaser with blast valve. 36.2KV dielectric.
- GSA Electro Solv:** Fast drying degreaser, residue free, and non-chlorinated. Available in convenient aerosol (VOG) or bulk.
- Foam-It-Away:** A liquid foaming all-purpose cleaner and degreaser. Clings to vertical surfaces. Excellent for spot utility cleaning.
- GSA Futron:** Heavy-duty concentrated non-butyl cleaner/degreaser.
- GSA Green Clean:** Non-polluting, non-flammable concentrated cleaner. DfE approved.
- GSA Indusol:** Economical cleaner and degreaser. Safe to use on virtually any surface not harmed by water. Non-corrosive and water soluble.
- Knock It Off:** Fast-drying aerosol safety solvent and non-flammable brake parts cleaner.
- Knock Out:** Heavy-duty industrial aerosol foam cleaner and degreaser.
- Magic:** Heavy-duty aerosol utility cleaner. Excellent for removing heavy grease accumulations from machinery. Safe on tile, Formica, fiberglass, enamel, porcelain, marble, metal, paint, and more.
- Mega Blast:** Non-flammable aerosol safety solvent with powerful blast valve. 26.8KV dielectric strength. VOG.
- Nu-Solv:** Contact and circuit board cleaner. Non-flammable and compatible with plastics.

**Power Clean:** Parts cleaning solution for aqueous parts cleaning.

- GSA Power Pouch Degreaser:** Water-based concentrated industrial cleaner in 4 fl. oz. pouches. One pouch makes up to 4 gallons of cleaner. DfE approved.

- Pro Tools NF Solvent Degreaser:** Heavy-duty, non-flammable aerosol degreaser that does not contain ozone-depleting gases. Non-conductive to over 29KV. VOG.

**Really Works:** Citrus aerosol jelled degreaser. Clings to vertical surfaces cleaning asphalt, tar, and grease.

- Skidoo:** Aerosol non-chlorinated solvent, cleaner and degreaser. All-natural, all-organic and biodegradable. Excellent degreasing power. Non-conductive to 18KV.

- Solv-All:** A pure concentrated organic aerosol degreaser with a pleasant orange fragrance. Removes grease, oil, crayon, gum, tar, decals, printing ink, and adhesives. VOG.

**Strip It:** Non-toxic paint and resin remover. Slow evaporating formula is ideal for vertical surfaces. VOG.

- Sun Burst:** All-natural citrus industrial strength cleaner, degreaser and deodorizer. Concentrated and highly economical. Contains no butyl.

- GSA Sunshine:** Ready-to-use all-purpose cleaner and degreaser. Contains no soaps, solvents or other environmentally unfriendly ingredients.

- GSA Supersol:** Non-flammable aerosol contact and circuit board cleaner. 30KV dielectric strength.

**X-tron:** A highly concentrated, water-based butyl cleaner and degreaser with a refined surfactant system that penetrates and emulsifies the grease and dirt from the surface.

# LUBRICANTS

- Bolt Blaster:** Aerosol super powerful penetrating catalyst that frees rusted and corroded parts.
- Chill Out:** Aerosol rapid freezing penetrating lubricant.
- Dri Lub:** Long-lasting aerosol dry film lubricant containing PTFE. Helps retard corrosion and lubricates (up to 500°F). Excellent mold release agent for plastic.
- GSA Eco Lube:** Aerosol organic penetrating lubricating oil.
- Extreme:** High temperature anti-seize compound with lubricating qualities. Packaged in convenient brush-top can.
- E-Zee:** Unique no mess anti-seize compound with a foam applicator. Effective up to 2100°F.
- 4-N-1:** Penetrates to displace moisturize, lubricate, and inhibit corrosion on metal surfaces. Spray on spark plugs, breaker points, and distributor caps. Aerosol or bulk.
- FG 350:** Multipurpose H1 food grade aluminum complex grease.
- Free All:** Aerosol penetrating lubricant with PTFE and Moly.
- GL 50:** Aerosol dry film graphite lubricant that protects and lubricates moving parts on equipment. Effective up to 800°F.
- GSA Grease Gun X-tra:** Real lithium grease in an aerosol can for hard-to-reach places. VOG.
- Greasmatic:** Single point self-contained automatic lubricator. Injects lubricant continuously for a pre-selected period of up to 12 months.
- GSA Hi-Temp:** High temperature, general purpose grease. Resists water, steam, most acids, dirt, and oxidation.
- Hydrox:** Multi-viscosity hydraulic oil. Lasts three times longer than single grade oils.
- Just Rite:** A non-aerosol spray penetrant, lubricant, and demoisurant.
- Kool-It #2:** A concentrated synthetic machine coolant, and cutting fluid.
- Litho-Lube:** Extreme pressure, lithium complex, and multipurpose lubricant. Ideal for most automotive and industrial applications.

- Long Life:** Aerosol clear synthetic lubricant for use with all cutting tools. Prevents corrosion and increases cutting efficiency.
- GSA Lub-Ali:** A penetrating PTFE gel lubricant in convenient aerosol.
- GSA Moly-Lub:** Metal-type anti-seize agent for all threaded metal parts and pipe fittings. Seals and resists water washout. Available in aerosol and bulk liquid.
- GSA No Seize:** Copper-based anti-seize lubricant packaged in a convenient 8 oz. brush top can.
- OG Compound:** Open gear lubricant compound with moly packaged in caulking tubes.
- Peak Performance:** Convenient aerosol air tool cleaner and lubricant.
- GSA Pro Tools MP Penetrant Lubricant:** Aerosol multipurpose lubricant and demoisurizer.
- Pro Tools MP Silicone:** Most versatile high performance aerosol silicone available. VOG.
- Sani-Lube:** Aerosol lubricant for use on all food processing equipment. Non-staining, odorless, tasteless and colorless.
- Slip-Ez:** A concentrated silicone release agent to prevent sticking and stop squeaks. Available in aerosol and bulk liquid (VOG).
- Slither:** Creeping penetrant/lubricant.
- Star Lube:** Multipurpose heavy-duty lithium complex synthetic grease. Effective in temps from -25°F to over 500°F.
- Super Slick:** Aerosol advanced technology powdered emulsification of PTFE that gives maximum lubricity in an ultra dry film.
- Supreme Gear Oil:** Non-foaming multi-viscosity gear oil. Reduces wear for longer equipment life.
- T-Lube:** Multipurpose heat and water resistant grease in aerosol form with PTFE. VOG.
- Temp-Plate:** Multipurpose heat and water resistant grease.
- Tool Kool:** Heavy-duty, synthetic aerosol cutting and tapping fluid.

**Truex:** Aerosol open-gear lubricant that forms a tough, long-lasting shield to prevent metal-to-metal contact. Reduces friction and assures permanent protection against rust and corrosion.

**Truex Extra:** Extra thick and tacky aerosol open gear and chain lubricant. Protects even under water.

**White Lube:** White, multipurpose water-resistant aerosol grease.

**White Shield:** White food grade anti-seize compound with brush-top applicator.

**Work Horse:** Extra thick and very tacky red aerosol grease.

**XL 866:** Chain and cable lubricant in a convenient aerosol. For use on chain drives, ovens and conveyors.

**XL 999:** Penetrating lubricant protectant for gears, chain drives, cables, and wire ropes.

# DISINFECTANTS & DEODORANTS

**Air Aide:** Highly concentrated water soluble liquid deodorant concentrate with lemon scent.

**Air Tag:** Versatile air fresheners that can be placed anywhere.

**AirMatic:** Aerosol odor neutralizing time dispensing system. 3000 sprays per canister.

**AirMatic Sani Mist:** Metered air sanitizer for bacteria & virus control.

**Clean Air:** Chlorine dioxide formula that controls bacteria and odor in HVAC systems.

**Country Air:** Ready-to-use malodor counteractant.

**Dumpster Patrol:** Specially formulated granular all-natural odor eliminator to be used around garbage collection areas and dumpsters.

**Eco Mist:** Non-aerosol, environmentally friendly deodorant time dispensing system.

**Eliminator:** Aerosol hand-held deodorizer and air sanitizer.

**Evergreen:** Industrial strength highly concentrated deodorant. Ideal for garbage dump area, waste water treatment plants, and dumpsters.

**Fresh Air in a Bucket:** Versatile deodorant beads packed in small bags. Available in several popular fragrances. Ideal for use in vacuum cleaner bags, fan cabinets, closets, etc.

**Fresh Jell:** Residue free jelled spray air freshener. Sprays as a liquid then becomes a jell that slowly evaporates. Orchard fragrance.

**Freshen Up:** Quick breaking bio-enzymatic aerosol foam that penetrates porous surfaces to instantly deodorize and clean away any malodors.

**Germ Away II:** Disinfectant wipes for use on hard surfaces.

**Lemon Solv:** Bactericide, germicide and disinfectant with refreshing lemon scent. Destroys bacteria at the source. All-purpose cleaner that deodorizes, cleans, and disinfects in one simple step.

**Microcide:** Aerosol phenolic surface disinfectant and room deodorizer.

**Morning Breeze:** A highly concentrated liquid deodorant. A drop or two is all that is needed to eliminate malodors and leave a refreshing pleasant aroma. VOG.

**Natural Air:** All-natural air and surface odor control spray. DfE approved. Also available in gel.

**Neutron:** Encapsulating waste water odor neutralizer.

**New Air:** Concentrated water soluble industrial odor counteractant. VOG.

**Odor Away:** Concentrated water-soluble deodorant. Available for use with Mix Right System.

**Odor Blast:** Total release aerosol odor neutralizer. Blankets the room with fragrance while chemically neutralizing unpleasant odors.

**Odor Out:** Granular odor control substance that destroys malodors at the source.

**Odor Oxidizer:** Neutralizes malodors in sewage or industrial areas by destroying odors at the source. May be sprayed or mopped.

**Pine Kleen:** Pine scented disinfectant that is safe for use on all washable surfaces.

**Power Pouch Disinfectant:** Portion controlled, disinfectant, germicidal detergent, and deodorant.

**Pro Air:** Continuous odor management system. Neutralizes odor 24/7 for 30 days.

**Refresh:** Highly concentrated formula that eliminates odors by encapsulating the odor molecules and chemically neutralizing the source of the odor. May be used as a space spray, contact spray, or evaporative deodorizer. VOG.

**Sentinel Plus:** An effective aerosol germicidal foaming product that cleans, disinfects, and deodorizes in one simple operation.

**Space Guard:** Total release aerosol citrus disinfectant deodorant.

**Super Blocks:** Deodorant blocks for use in drainage sewers. VOG.

**T.B. Quat:** Non-acid disinfectant, cleaner, deodorant, mildewstat, virucide, fungicide, and tuberculocidal all in one.

**Total Clean:** Neutral hard surface disinfectant cleaner.

**Totally Dry:** Space odor counteractant.

Leaves no oily residue.

Available in several pleasant fragrances.

This effective aerosol deodorant utilizes a totally dry mist.

**Ultra Air 9000:** Aerosol odor neutralizing time dispensing system. 9000 sprays per canister.

# AUTOMOTIVE SPECIALTIES

**Acid Eraser:** Acid neutralizer and degreaser. Cleans batteries and battery charging areas. Safe on metal, plastic, and rubber.

**Alumin-Nu:** Aluminum and coil cleaner. Replaces hydrofluoric and sulfuric acids.

**Alumin-X:** Fast-acting aluminum brightener and cleaner. This acid removes dirt, corrosion, oxidation, and water deposits.

**Alumi-Seal:** Aluminum RTV silicone gasket maker in a pressurized can.

**Battery Saver:** Aerosol battery terminal cleaner and protectant. Minimizes battery current leakage, leading to longer battery life.

**Bead-O-Matic:** RTV instant gasket making silicone in a pressurized can. Red in color. Temperature range -60° to 650°F.

**Brake Away:** Aerosol brake parts cleaner with no ozone depleters or methylene chloride. Removes brake fluid, grease and oil contaminants from brake linings, pads and cylinders.

**Bright Lights:** Headlight cleaner, polisher, and protector.

**CCC 57:** Fast-drying, aerosol carburetor and choke cleaner that dissolves and loosens lead, grease, gum, carbon, dirt and other deposits.

**Clear Vision:** Glass cleaner and treatment for windshields.

**Eco Release:** All-natural release agent which produces a molecular film to prevent asphalt from sticking to surfaces. Highly concentrated formula results in a cost effective, environmentally friendly product.

**Extend-A-Life:** Envelope lubricant for retread chambers.

**Fast Clean:** Organic asphalt remover.

**Flexi Coat:** Undercoat and sound deadener. Provides a durable flexible film, which seals and acoustically reduces unwanted vibration and sound.

**Frost Free:** Methanol-based windshield deicer that penetrates ice, frost and snow quickly.

**Fuel Guard:** Diesel fuel conditioner.

**Fuel Plus X-100:** Fuel additive for use in gasoline or diesel engines. Improves mileage and increases motor life.

**Hi-Bead:** High temperature, red RTV silicone in a pressurized can. Unaffected by weather, extreme temperatures, chemicals, and aging.

**Ice Eraser:** Aerosol deicer and defroster for windshields, auto headlights and windows. Thaws frozen door locks and keeps inside windows from fogging.

**Knock Out:** Aerosol foam cleaner and degreaser. Contains super powerful foam that quickly removes grease, oil, tar and road dirt.

**Mechanic's Helper:** Low volatile silicone gasket maker in pressurized can. Excellent adhesion characteristics, high chemical resistance, and will not sag or shrink.

**Neutralize:** Battery acid cleaning wipes. Color indicators show when acid is neutralized.

**New Life:** Vinyl and rubber protectant wipes.

**Presto:** Aerosol that starts stubborn engines quickly and smoothly without excessive battery drain.

**Pro Glow:** Aerosol buffing cleaner and polish. Removes tar, insects and oxidation. Polymers and UV blockers form an invisible barrier to prevent surface from accumulating road grime, brake dust and insects.

**Restore:** Aerosol protective coating and beautifier for use on all vinyl, leather and plastic surfaces.

**Snow Kote:** Snow plow protective coating.

**Solar Shield:** A poly and silicone aerosol spray that protects rubber, leather, vinyl, and more from the destructive effects of sunlight, oxygen and temperature change. VOG.

**Steam-It:** Liquid steam cleaner concentrate to clean engines and dirty equipment.

**Super Shine:** High sudsing, concentrated liquid car and truck wash. Cuts through baked-on road film, oil and grease quickly, giving a super shine to all automotive and truck finishes.

**Tacky:** Aerosol that stops power-belt slippage and squealing. Will not harden, glaze, crack, or cause deterioration of belts. VOG.

**Tire Brite:** Aerosol high shine tire care and surface protector. Specially formulated to give that deep black glossy "wet look" finish.

**Tire Brite Bulk:** Liquid tire protectant and coating. VOG.

**Tire Release:** Non-flammable tire mounting and demounting compound. Retread safe.

**Wash-N-Wax:** Concentrated automobile and truck wash containing real wax to help protect and beautify.

# FLOOR MAINTENANCE

**Anchor-It:** Two-part epoxy anchoring system.

**Capture:** Lightweight granular absorbent.

**C-Joint:** Heavy-duty two component epoxy joint filler for industrial floors.

**Con Seal:** Clear, transparent sealer for use on new or old concrete floors. Prevents staining and dusting.

**Dazzle:** High speed burnishing restorer. Assists in the removal of deep scuffs and scratches. Prolongs life of floor finish and restores "wet look."

**Diamond Kote:** Deep penetrating rubber sealer that functions as a sealing and curing membrane on new concrete. VOG.

**Dri-Foam:** Concentrated rug shampoo with an optic brightener system. VOG.

**Duraseal:** Pre-measured, two-part, waterborne epoxy concrete coating. Protects against acids, brake fluid, solvents, and oils.

**Dust Aid:** Aerosol oil-based dust mop treatment.

**Enviro Sorb Products:** A variety of absorbent pads, booms, socks, and rugs that are effective for water or oil spills.

**Epoxy Waterproofing and Patching Compound:** Versatile material for repairing cracks in walls or floors. It bonds stronger than original concrete.

**Firm Grip:** 100% solids, three-component epoxy compound which produces a highly skid-resistant surface. Use on areas where slippery conditions exist, such as ramps, stairs, walkways, and docks.

**Kleen Sweep:** Oil-based sweeping compound for use on unfinished concrete floors.

**Kon Kleen:** Powerful, fast-acting cleaner that will remove dirt, oil, and greases from concrete floors.

**Neutra Clean:** Economical lemon-scented neutral cleaner for daily use by either automatic scrubbers or manually as a means to keep floors clean.

**Poly Brite:** High solids, low maintenance metal interlock floor finish for all resilient floors including vinyl, rubber, linoleum and terrazzo.

**Poly Finish:** Self-polishing, extremely durable floor finish. Defies water, detergents, scuff marks and cuts maintenance costs.

**Pro Earth Floor Shine:** Zinc-free floor finish. Green Seal Certified.

**Pro Earth Floor Strip:** Environmental floor stripper. Green Seal Certified.

**Pro Earth Neutral Floor Cleaner:** Concentrated green neutral pH floor cleaner. DfE approved.

**Pro-Tec:** 25% acrylic polymer floor finish. Protects against dirt, stains, and heel marks.

**Rapid Set:** Low temperature epoxy binder.

**Safety First:** Powdered safety absorbent with anti-slip properties.

**Show Off:** Natural, gentle, non-toxic hardwood floor cleaner that contains no harsh detergents or strong alkalis.

**Super Wax Off:** Floor finish and wax remover. Fast acting and economical.

**Sure Patch:** Epoxy concrete crack repair kit. Three times stronger than concrete.

**Tred Safe:** Acrylic latex anti-slip coating that will reduce the threat of slippage.

**True Bond Patch:** A ready-to-use cold asphalt pavement patch. For use in parking lots, driveways, etc. where small chuckholes in asphalt need to be filled.

**Zip Strip:** Fast acting wax stripper that works without use of a scrubbing machine. No rinsing required.

# INSECTICIDES

**Attack:** Ready-to-use insecticide that kills fire ants.

**Away Plus:** Repels all forms of insects. Safe to use and long lasting.

**Away Plus Wipes:** Convenient personal insect repellent towels. Swipe on to keep insects away for hours.

**Big Blast:** Aerosol that kills wasps, bees, yellow jackets, hornets and other flying pests instantly. A special nozzle concentrates spray up to 20 feet to insect nest areas.

**Blitz:** Aerosol fire ant injector spray. Contains synergized Permethrin and Tetramethrin.

**Bug Barrier Bands:** All-natural insect repellent wrist bands.

**Buzz Off:** Aerosol wasp and hornet killer. VOG.

**Dead On:** Our finest aerosol insecticide space spray. Sudden death for flying and crawling insects. Water-based with dual action valve. VOG.

**Dri-Cide:** Ready-to-use powdered crack and crevice insecticide. Kills fire ants, fleas, ticks, termites, and other crawling insects.

**Garb-Cide:** A residual spray which will control insects along with odors that develop around garbage areas.

**Glue Traps:** 5" x 10" non-poisonous glue traps for control of mice, rats, and insects.

**Rid 60:** Ready-to-use water-based insecticide. Provides quick killing action as well as 60-day residual activity.

# WEED AND TURF SPECIALTIES

**Dead Zone:** Non-selective, non-residual, 18% glyphosate weed killer.

**Edge:** Non-selective contact weed killer to be used around trees, bushes, and as a liquid lawn edger. Can also be used in aquatic applications.

**Terminator:** Water soluble concentrated herbicide that provides one full growing season of full vegetation control.

**Ureabor:** Granular, non-selective vegetation, grass and weed killer.

**Weed Out:** A premium non-selective weed killer and semi-soil sterilant. Ready to use. VOG.

# DRAIN MAINTENANCE & SEWAGE SOLVENTS

**Action:** A blend of super sewage enzymes and bacteria to rapidly cut through organic waste and open drains.

**Alive Plus:** Liquid live bacteria waste digester and odor counteractant. For use in kitchen drains, grease traps, etc.

**Bac Paks:** 1 lb. water-soluble bacteria packets for bio-remediation of waste water systems. Effectively breaks down animal fats, vegetable fats, proteins, and starches.

**Bio Block:** Solid bacteria-based block that digests grease and feed for up to 30 days.

**Citra-Solv:** An all-natural drain and sewage maintainer and degreaser. VOG.

**Citra Works:** Soy and citrus degreaser, deodorizer, and drain solvent.

**Clog Buster:** Unclogs slow and clogged drains using enzymes to dispose of waste safely.

**Consum It:** Granular enzymes to aid the digestion and liquification of organic waste and food by-products.

**Defoamer:** Silicone emulsion foam eliminator.

**Down & Out:** Two-phase, one shot acid drain solvent with built-in odor blanket. Works on organic blockages. VOG.

**Drain Eze:** Granular enzyme drain treatment packets.

**Drain Free:** Alkaline non-odor liquid drain solvent.

**Eco Lift:** All-natural, soybean-based lift station degreaser. Coats the walls of the lift station to remove heavy grease accumulations as well as to prevent future build ups.

**Flow Free:** Citrus-scented, granular drain pipe cleaner, and maintainer.

**Odor Blanket:** All-natural solvents for use in grease traps and drains. VOG.

**Ram Rod:** Sulfuric acid liquid drain pipe solvent. Clears stoppages caused by grease, paper, and other organic matter.

**Red Hot:** Alkaline granular compound used to open sewers and drains.

**Scum-Out:** Dissolves scum and grease balls in pumping stations and settlement ponds.

**Slime-X:** A/C drain pan tablets. EPA approved to kill bacteria, algae, fungus, and mildew for up to 90 days.

**Slo-Gel:** Air conditioning condensate pan treatment for large units up to 7 1/2 tons.

**Super Blocks:** 20 pound deodorant block for use in sewers and garbage dumps. VOG.

**Trap Buster:** Biodegradable, vitamin-based grease trap maintainer.

# INDUSTRIAL SPECIALTIES

**Alumin-X:** Fast-acting aluminum brightener and cleaner. This acid removes dirt, corrosion, oxidation and water deposits.

**Anchor-It:** Two component, 100% solids, rapid setting epoxy anchoring system. Excellent for dowel bars, rebars and sealing cracks.

**Armor Guard:** Waterproof, flexible and permanent rubber coating that will act as a barrier against moisture. Conforms to any surface with an extremely tight bond.

**Bio-Gest:** Bacterial inoculant for degrading petroleum hydrocarbons. Reduces the need for pumping oil/water separators by as much as 80%.

**Clear Seal:** Clear all-purpose RTV silicone adhesive sealant in a pressurized can.

**Coil Brite:** Aerosol bio-enzymatic foaming coil cleaner. Deodorizes as it cleans, leaving the area with a fresh clean scent.

**Coil Care:** Water-based degreaser for air conditioner coils, fins and filters.

**Coil Fresh:** Evaporator coil cleaner and disinfectant.

**Coil Nu:** Non-acid, concentrated aluminum coil cleaner and brightener.

**Coil Quick:** A no-rinse air conditioner coil and filter cleaner.

**Con Ex Plus:** Non-fuming concrete remover.

**Cool Gel:** Heat dissipating spray and flame retardant. Protects valves, controls, and surrounding areas from heat damage.

**Corrosion Inhibitors:** Moisture absorbent and protector for control boxes. Available in 11 ft<sup>3</sup> and 5ft<sup>3</sup> coverage.

**Disappear:** Odorless, premoistened towels for graffiti and paint removal.

**Dura Bond:** Hand-mixable epoxy putty for use in stopping leaks in sinks, pipe joints, water pipes, gas tanks, air conditioning coils, etc.

**Easy Patch:** Versatile, easy-to-use durable repair material with hundreds of uses.

**Eco Power Wipes:** Soy-based graffiti remover/degreaser wipes.

**Enviro Clean:** New revolutionary acid replacement cleaner. Provides the high cleaning performance of acids with the gentleness of liquid dish soap. Also in R.T.U.

**Enviro Solution:** Surface remediation cleaner. Available in bulk and aerosol. DFE approved.

**Expando:** An aerosol expanding foam sealant and insulator.

**Flexi Coat:** Aerosol roof patch and leak sealer.

**Frost Free:** Powerful methanol-based deicer penetrates ice frost and snow quickly. Concentrated formula allows for custom dilution levels for various weather conditions.

**Ice Breaker:** Liquid ice melting concentrate effective in temperatures down to -10°F. Can be applied before or after snowfall.

**Ice Fighter:** Granular ice-melting compound safe for use on grasses, shrubs, carpets, and concrete. Effective all the way down to -6°F.

**Insta-Seal:** Fast-set, aerosol elastomer membrane coating, designed for a variety of industrial applications.

**Like Nu:** Aerosol acoustical ceiling tile restorer. Covers water stains, smoke discolorations and enhances the absorption of sound.

**Mark Out:** Aerosol that removes unsightly graffiti from almost any surface, including restroom walls, signs, bricks, tiles, and other painted surfaces. VOG.

**Mean Green:** Granular ice melting compound, easy to see against glaring ice and snow to avoid over-application. Dissolves snow and ice in minutes even when temperatures dip below 0°F.

**Mighty Grip:** High strength polyurethane adhesive.

**Oxall Plus:** Highly concentrated acid for lime and scale removal.

**PC 454:** Surface-insensitive instant super glue.

**PC 565 PST Pipe Sealant:** Pipe sealant with PTFE.

**Prime Time:** One step aerosol rust neutralizer and metal primer.

**Pro Earth Coil Cleaner:** Eco-friendly heavy-duty evaporator/condenser coil cleaner. DFE approved.

**Pro Earth Paint Stripper:** DFE approved soy-based paint stripper.

**Pro Seal:** Clear RTV silicone rubber adhesive/sealant in a caulking tube.

**Protect-O-Flex:** Aerosol flexible corrosion and rust protection for ferrous and nonferrous metal.

**Pro Tools NF Air Duster:** Aerosol high purity, non-flammable, non-residue formula blasting spray that quickly removes dirt and dust from delicate surfaces.

**Rust Buster:** Converts rust into a durable, long lasting protective coating.

**Salt Off:** Industrial strength rinsing compound designed to neutralize harmful ice melting residue.

**Slick:** Specially blended aerosol all-season silicone and wax that provides a slick, non-metal coating to keep snow or grass from sticking to snowplows, lawnmower blades, hand tools, and more.

**Snow Kote:** Thin, slippery layer of silicone that reduces friction on plow blades, shovels, and truck beds to provide more efficient plowing.

**Steam-It:** Liquid steam cleaner concentrate.

**Superbonder PC 495:** Low-viscosity, general purpose instant adhesive.

**Super Seal:** White all-purpose RTV silicone adhesive/sealant in a pressurized can.

**Tack It:** Heavy-duty aerosol adhesive, wide web spray pattern.

**Threadlocker:** High strength or medium strength removable threadlockers. Prevents movement of screw threads and eliminates self-loosening.

**Total Foam:** Concentrated foaming condenser coil cleaner.

**Tough Coat:** Aerosol, high temperature, long-lasting coating containing pure stainless steel pigments.

**Vanish:** Microbe-powered oil stain remover.

**Zink Proof:** Aerosol easy-to-use galvanized protection for use on iron, steel, and other metals. 95% zinc.

## GREEN

**Auto Clean Pro Earth Industrial Soy:** Soybean oil based hand cleaner with ground walnut shells.

**Enviro Solution:** Surface remediation cleaner.

**Enviro Solution Aerosol:** Aerosol microbe-powered foaming cleaner and degreaser.

**Green Clean:** Heavy-duty degreaser.

**Hypro:** Multi-surface peroxide cleaner, degreaser, and stain remover.

**Natural Air:** All-natural air and surface odor control spray.

**Natural Air Gel:** All-natural odor eliminating gel.

**Power Pouch Degreaser:** Portion controlled, and ready-to-dilute industrial degreaser.

**Power Pouch Neutral Cleaner:** Portion controlled, and ready-to-dilute neutral cleaner.

**Pro Earth All-Purpose Cleaner:** Ready-to-use all-purpose cleaner.

**Pro Earth Bathroom Cleaner:** Ready-to-use restroom surface cleaner.

**Pro Earth Coil Cleaner:** Biodegradable, non-foaming coil cleaner.

**Pro Earth Floor Shine:** Zinc-free floor finish.

**Pro Earth Floor Strip:** Environmental floor stripper.

**Pro Earth Glow-N-Shine:** Metal cleaner, degreaser, and polish.

**Pro Earth Heavy-Duty Glass Cleaner:** Concentrated glass cleaner.

**Pro Earth Neutral Floor Cleaner:** Concentrated neutral floor cleaner.

**Pro Earth Paint Stripper:** Soy-based paint stripper.

## EQUIPMENT

**Protective Wear:** We carry a full assortment of safety wear, such as gloves, disposable dust masks, ear plugs, raincoats, rainsuits, coveralls, and safety glasses.

**Safety Supplies:** A variety of anti-skid coatings and materials, such as anti-skid tape. We also offer absorbents, such as Enviro Sorb, Capture, and Safety First. First Aid Kits available.

**Dispensing Pumps:** Pumps and accessories for drums, pails, and gallon containers.

**Floor Coating Tools:** Floor prep tools, mixing tools, application tools, and floor machine pads available.

**Grease and Lubricant Dispensers:** We offer a variety of grease guns and hoses.

**Hand Soap Dispensers:** Liquid, foaming, and waterless dispensers. Manual or touch-free available.

**Housekeeping Supplies:** Poly trash can liners, mops, scrubbers and squeegees.

**MSDS Compliance Materials:** Coming soon, GHS compliance materials.

**Mix Right System:** Wall-mounted proprietary proportioning system that has an accurate dilution control mechanism built into each bottle, ensuring correct mixing every time.

**Paper Products and Dispensers:** Paper towels and tissues and their corresponding dispensers.

**Parts Washers:** Aqueous and solvent parts washers.

**Room Deodorant Sprayers and Cabinets:** Programmable dispensers for our deodorant products.

**Spill Response Kits:** Battery Acid, Bloodborne Clean-up, Universal/HAZMAT, and General Purpose kits available.

**Sprayers & Bottles:** A variety of heavy-duty, chemical-resistant trig and pump sprayers.

**Towels and Rags:** Shop towels, wiping cloths, and color-coded micro fiber towels.

# SKIN CARE

**Auto Clean Soap System:** Automatically dispensing hand cleaning system with 1500 mL industrial soy hand cleaner. Soy soap is DfE approved.

**Auto Clean Elite Soap System:** Hand cleaning system with 1000 mL soaps. Manual or automatic dispensers.

**Ban:** Heavy-duty liquid hand cleaner.

**Ban Aid:** Antimicrobial liquid hand cleaner.

**Borolan:** Powdered hand soap. Special borax cleaning agents scrub away dirt, grease, and grime without harshness.

**Cherry Force:** Premium, heavy-duty lotion hand cleaner effective for removing the toughest soils. For use with System 2000.

**Citron:** Heavy-duty citrus hand cleaner with fine mild abrasive pumice to help loosen and lift soils.

**Fresh-N-Clean:** System 2000 ready-to-use, all-purpose premium hand and body soap.

**Fresh Start:** 800 mL bag-in-a-box gentle hand soap. Available in lotion and antibacterial.

**Hand Guard:** Aerosol skin barrier to protect exposed skin from harmful substances. Excellent for mechanics, chemical workers, painters, and others who work with their hands.

**Ivy Barrier:** Pre-contact skin barrier to help protect against poisonous plant oils commonly found in Poison Ivy, Poison Oak and Poison Sumac.

**Ivy Cleanse:** Post-contact soothing cleanser to wash away poisonous plant oils.

**Kut It:** High-quality, waterless hand cleaner. Leaves hands soft. Contains no harsh solvents.

**Lemon Aid:** Lemon scented hand sanitizing wipes.

**Lime Force:** Citrus pumice hand cleaner formulated to remove the most difficult soils. Available in 4000 mL for the System 2000 or in a 15 oz. stand up bottle.

**Sani-Care:** An instant hand sanitizer designed to be used between hand washings.

**Sani-Wipes:** Instant hand sanitizing towels.

**Scrub-N-Clean:** Heavy-duty waterless hand cleaner towels.

**Skin Therapy:** A special blend of water-based emollients and moisturizers that provide soothing

relief, restoring moisture as it absorbs quickly into the skin.

**Soy Force:** Soy-based, conditioner enriched hand cleaner with pumice for use with System 2000.

**Suds Hand Sanitizer:** Foaming instant hand sanitizer. Active foam bubbles cover more skin and clean more thoroughly than traditional skin sanitizers.

**Suds Hand Soap:** High foaming antibacterial hand cleaner. Enhanced with emollients and skin conditioners.

**Suds Prevent:** Foaming 62% ethyl alcohol instant hand sanitizer.

**Sun Shield:** Premoistened sun block wipes. SPF 30 formula provides UVA/UVB protection.

**Swipes:** Heavy-duty hand cleaning towels. Each towel contains skin conditioners with pleasant citrus fragrance. Effective in removing grease, paint, ink, oils, and lubricants.

**True Grit:** A waterless, heavy-duty hand cleaner with grit for extra abrasive action. Removes ink, paint, grease, and the toughest grime.

**Tuff Stuff:** Waterless hand cleaner removes grease, paints, carbon, tar, ink, and many other hard-to-remove soils.

**Varsity:** Pink lotion hand cleaner.

# COMMERCIAL CLEANING PRODUCTS

**Alive & Well:** Aerosol bacterial digestant cleaner that cleans mold, mildew, fungus, and digests organic deposits that cause odors.

**Amazing:** Aerosol carpet spot and stain remover, power deodorizer and malodor counteractant.

**Clean & Shine:** Stainless steel cleaning and shining wipes.

**Clear View:** Ready-to-use glass and window cleaner that really works. Will not cloud.
